7 Star Efficiency

At Infinite Homes, we're committed to practical solutions that make a real difference in your daily life. Our 7-Star Energy-Efficient Promotion has been designed with your comfort and sustainability in mind. With features like our 6.6KW PV Solar System, Low-e glazing, Ceiling Fans, and Premium insulation, you can enjoy a cozy home while saving on energy bills.

- ★ Harness the power of the sun with our 6.6KW PV Solar System, providing sustainable energy solutions that save you money and reduce your carbon footprint.
- ★ Experience year-round comfort with Low-e glazing, keeping your home cooler in summer and warmer in winter while maximising natural light.
- ★ Stay cool and breezy with Ceiling Fans, enhancing airflow and comfort throughout your living spaces.
- ★ Enjoy optimal temperature control and energy savings with Premium insulation, keeping your home cozy in winter and cool in summer while reducing energy bills.

TERMS AND CONDITIONS

The promotion is only available to customers who enter into a Building Contract with Infinite Homes within 90 days of signing their preliminary agreement. The promotion is valid from 1st February 2024 until 31st March 2024. The product as described in the promotion brochure may vary depending on availability and as such Infinite Homes reserves the right to provide a similar product of equal value. Infinite Homes reserves the right to extend, change or discontinue the promotion at any time. The promotion is not valid in conjunction with any other promotion, discount or offer available from Infinite Homes. The promotion is limited to one offer per site/dwelling. The promotion is limited to clients with land that registers no later than 31st December 2024. The promotion is only applicable in full when selecting colours from the 'Light' external finishes with a solar absorptance of less than 0.475. For selections from the Medium and Dark categories, additional charges may apply.

The promotional inclusions are provided at Infinite Homes discretion and only as required to meet 7* BASIX Thermal assessment target. All PV Solar system installations are subject to relevant Distribution Network Service Providers approval to be connected to the utility grid. Ongoing Monitoring and maintenance of your PV Solar system are not included as part of this promotion. For Custom floor plans to be eligible the design must incorporate window and door sizes consistent with 'Infinite Homes' typical window sizing. Low Emissivity (Low-E) Glazing included to Aluminium framed windows & sliding doors as required. Ceiling fans are available to select from Infinite Homes builders range in Black or White, 4 blade, 1200mm. Master bedroom and living areas fans supplied without light. Bedrooms 2, 3, 4 and 5 (If applicable) supplied with light. Premium insulation includes R2.5 to walls and up to R6.0 to ceiling both as required (Including to between floors if required to double storey designs). The promotional items cannot be redeemed for cash or offset to another inclusion within the home and any unused item to be forfeited. Participation in this promotion is deemed acceptance of these Terms and Conditions.
