

# JUNO

This single storey home is designed to suit narrow lots without compromising on space and inclusions.

The Juno is a savvy design perfect for narrow lots, maximising available space. Created with the growing family in mind, the Juno has four spacious bedrooms - the master with walk-in-robe and ensuite.

The open plan living living zone provides the perfect opportunity for entertaining, enjoying family time, cooking up a feast or enjoying the fresh air in the covered alfresco area. With secure parking, plenty of storage and good separation between living zones, this home provides a haven for the whole family that is both practical and functional.
